Here we are, 2024 is under way, the constant rain appears to have abated, for the moment, and the clocks spring forward in just over a weeks time. Summer is coming! We have a packed programme of events, championships and stuff to get involved in – get your bike out, or not, if you prefer, and join in.

Annual Dinner & Prizegiving

Saturday 6th April
7:30pm to 10:30pm
At: Pedham Place Golf Club
Tickets are just £30.00 each book on the website using PayPal or just call Debbie on 07425 152445

Evening Time Trial Series

First Event: Wednesday 1st May
Last Event: Wednesday 31st July
Start times will vary throughout the summer according to available daylight. See the website for timings. We have decided to drop the early events in April as, statistically, we cancel too many races in this month due to bad weather; entries are also low at this time of year. We have skipped August as, again, entries are lower and by this time our band of volunteers are tired and also thinned out by holiday commitments.
