Issue No 36: Editor: July 2024 Murray Spencer murray.spencer@gmx.com

Here we are, summer is in full swing, the Club Championships are under way, the 10 and 25 TT titles have been decided, as has the Mountain Bike Championship, but we still have the longer TTs which are wide open, so why not give it a go? The entries are still open for the Triathlon too, all you have to do is swim 400 metres in the pool, ride 25 kilometres on the bike and finish off with a 5k run, all neatly arranged around the Blackshots Sports Centre in Grays Essex.

CCB Summer Barbecue Friday 5th July from 7pm Farningham Village Hall and Meadow

All members and guests are welcome.

This is a free event, all food is supplied and cooked by the Club, unless you have very specific requirements, all you need to bring is your own drink..... and a deck chair..... and a sun hat.

Supposing the weather isn't so good, we will do all the socialising and eating in the Village Hall.

The Evening 9s are coming along nicely, with a good turn out (relatively speaking) every week along with some great racing and some fine individual efforts.

Thank you to all of the officials, timekeepers, marshals and pushers-off.

The results can be found on Resultsheet.app or there's a photo of Roy's scorecard published on Facebook each week.

THERE WILL BE NO TT ON WEDNESDAY 3rd JULY

Kevin Tye won the event overall, with a time of 22:01 – so that tells you how well our own Mr Grayland was going; cracking ride Rolling Thunder!

Mountain Bike Championship

The Club MTB Championship played out at Round 4 of the Travers MTB Series, held at Potash, near Southend. The course was in perfect condition but with plenty to test man (or woman) and machine. The Club championship went to the 'form book', with Michael Bebbington running away with the Male Championship and Jo Hitchen taking the Ladies Title; however, Mike 'Binz' Spicer took an early hold on second spot ahead of Murray Spencer. Binz showed no sign of relinquishing his position until, on an awkward and technical climb he faltered, just for a moment, long enough for Spencer to dart past, fuelled by adrenaline, on an even more awkward line. That advantage was enough for Murray to hold on to a small lead through to the finish of the four lap race.

25 Mile TT Championship

Our 25 Mile Championship was contested on the Q25/10 course at St. Nicholas at Wade, promoted by the Thanet Road Club. As you would expect, Gary Grayland took the CCB honours, but the ride of the day must go to Malcolm Strickland who suffered a puncture in one of his tubs, he changed it by the side of the road and still managed ride in with a time of just over 1 hour 40 minutes! Well done Malcolm, that was a great effort.
